

Cancellation Policy

Webinars, 1 and 1.5 Day Workshops

No refunds will be issued within 30 days of the workshop. There are no exceptions to this policy, even for medical emergencies. We encourage participants to purchase refundable airline tickets and trip cancellation insurance.

There will be no refund for weather delay or cancellation due to weather before arrival or during the scheduled workshop. Kathleen Reeder Wildlife Photography is not responsible for any additional costs that may be incurred by weather delays or cancellations due to weather, flight delays or otherwise.

Should we need to cancel a scheduled workshop, then customers will have the choice of receiving a full refund or transferring to another workshop that has space available. We are not, however, liable for expenses incurred such as airfare or accommodations, and for this reason also recommend the purchase of trip insurance.

3+ Day Workshops

We rely on attendance to make important arrangements. A non-refundable deposit is required for all 3+ day workshops at time of registration. Balance is due 90 days prior to the workshop, after which the entire balance is non-refundable. There are no exceptions.
