Wildlife in Winter Photo Workshop

January 4-7, 2020

Join professional wildlife photographer instructor Kathleen Reeder for an incredible 4-day photo workshop in Kalispell, Montana at Triple D Game Ranch. With expert wildlife photography instruction before and during the workshop, and a vast array of beautiful wildlife to photograph in snow conditions, you will capture incredible wild animal portraits! Register at www.KathleenReeder.com.

Workshop Highlights

1. An informative online webinar presentation that covers wildlife photography composition tips, camera settings, recommended gear, and an illustrative slideshow of photos taken by Kathleen of Triple D wildlife in winter to prepare you to maximize your camera's potential while shooting.
2. 8 photo sessions with the best wildlife that Triple D has to offer in winter conditions. The 8 sessions will be scheduled by Triple D, selected from the following species: snow leopard, Amur leopard, Siberian tiger, grizzly bear, mountain lion, arctic fox, arctic blue fox, red fox, gray fox, cross fox, silver fox, Canada lynx, Siberian lynx, tundra wolf, arctic wolf, wolf pack, bobcat, coyote, porcupine, raccoon, badger, pine marten. The animals are healthy and will have their gorgeous winter coats. Species not included in the cost of the 8 sessions will be offered to participants at an additional rate of \$150/session.
3. Photograph wildlife at eye level, in natural settings and fresh snow. The most common lens used is a 70-200mm.
4. Photo sessions are scheduled for 3 days, with an additional day reserved in the event of inclement weather. In the event the 4th day is not needed as a makeup day, additional sessions will be offered at the additional rate.
5. Photo critiques of photos captured before or during the workshop on request.
6. Post Processing and eBook Publishing demonstrations.
7. Class size is limited to 12 participants so you'll have plenty of one-on-one time with Kathleen to ask questions and get coaching specific to your individual photographic needs.
